“The workmanship, skill and attention to detail were extraordinary. The final product is so magnificent that both of us marvel at its beauty and delight in how it improves our ability to work at home.” Bernard S., Springfield, VA

“The finished and installed product merely underscored our decision to work with Closets By Design in the first place.” Michael M., Washington DC

“Our designer was most helpful in making recommendations regarding the best and most efficient design of the space. The overall installation was most professional. We would be pleased to recommend Closets By Design based on our positive experience. Thank you for providing us with such a quality product and expert designers and installers.” Greg and Ellen D., Oakton, VA

“We spoke to two other closet designers and neither came up with the design we wanted. You really listened and designed the closet accordingly. Thank you for the perfect design.” Joyce L., Mt. Airy, MD

“I wanted to tell you how pleased we are with our latest project. It was a difficult one and involved building around walls in two rooms. This was our fifth Closets By Design project...and certainly not our last.” Lamar and Lois W., Gainesville, VA

“Two other designers told us our pantry was too shallow to install sliding baskets, but your designer knew how to do it. In our master closet, every other designer told us we didn't have space for 31" wide drawers, but your designer showed us how it could work. We would strongly recommend Closets By Design to anyone who asked.”  
Cynthia H., Arlington, VA
