

The experts at Closets by Design are featured in [this](#) video talking about full home organization, and all of the great services offered by Closets by Design for your home.

- [Pantries](#) - You can add a Place for vegetables onions potatoes, lucite see-through drawer for the pantry
- [Home office](#) - A unique feature of a CBD home office is the place for the desktop computer, keeping cords away but quick access to the computer tower.
- Wardrobe closets - These are really designed to put space where this is none. Completely customized wardrobe closets help keep clothes out of the way, but organized in a beautiful display
- Walk in [Closet](#) - These closets can be totally customized, even with a jewelry drawer!

Organization can be an overwhelming task, but the experts at Closets by Design have experience in making your life both easier and better-organized. Call us at 800-293-3744 for more information.
